Khulna University
Khulna

২৯-০২-২০২৪ খ্রি. তারিখে অনুষ্ঠিত Research Advisory Committee (RAC)- র ১৭তম সভায় Committee নিম্নলিখিত ২০২৩-২৪ অর্থবছরে তৃতীয় পর্যায় প্রকল্প সমূহ তাদের পার্শ্বে বর্ণিত অর্থ বরাদ্দসহ অনুমোদন করেছেন।

S. L	ID	Name and Designation	Discipline	Title	Cost
1.	84	(a) Aminul Islam Assistant Professor (b) Atish Dipankar Biswas Network Engineer, ICT Cell, KU	CSE	Pioneering Diabetic Retinopathy Diagnosis for Bangladeshi Patients using Artificial Intelligence	4,90,000/=
2.	124	Nur Mohammad Ha-Mim Lecturer	URP	Application of multi-criteria decision-making approach and geospatial techniques for multi-hazard risk assessment of Chittagong city, Bangladesh	3,25,000/=
3.	67	Prof. Dr. Kh. Mahfuz Ud Darain	Architecture	Optimization of the Process Parameters for Molded Wood Plastic Composites Using Flat-Pressed Method	9,98,000/=
4.	108	Prof. Dr. Md. Golam Hossain	Pharmacy	Exploring the potential of miRNA biomarkers for the most prevalent cancers of Bangladesh by qRT-PCR and unveiling miRNA modulators as targeted therapeutics through in silico analysis	8,75,000 /=
5.	112	(a) Mst. Mousumi Khatun Lecturer (b) Prof. Dr. Abul Kalam Fazlul Haque	Physics Physics	Electron and Positron Scattering from Atoms, Ions and Molecules	2,70,000 /=
6.	90	Prof. Md. Nasif Ahsan	Economics	Nexus between Mangrove Ecosystem Services and Socio-economic Resilience: An Empirical Investigation in Southwestern Coastal Bangladesh	4,80,000 /=
7.	105	Sourov Ghose Assistant Professor	Law	Strengthening Environmental Governance: Evaluating Public Participation in Environmental Legislation in the context of Modhupur Bhawal National Park, Bangladesh	4,22,500 /=
8.	88	Bitap Shavan Bachhar Assistant Professor	Drawing and Painting	An Analysis of the philosophical reflection on artist S M Sultan's paintings	5,00,000 /=
9.	122	Prof. Dr. Kazi Saiful Islam	URP	The Geography of Housing Stress: A Study of Khulna City	4,43,000 /=
10.	99	Prof. Md. Sharif Hasan Limon	FWT	Does the floral nectar production vary with species composition and environmental gradients in the Sundarbans?	6,50,000 /=
11.	69	(a) Prof. Dr. Mst. Sabiha Sultana (b) Prof. Dr. Shamim Ahmed Kamal Uddin Khan	AT	Molecular detection and biocontrol of Aflatoxigenic Fungi and revealed genetic diversity and driven evolution of Aspergillus flavus by Simple sequence repeat (SSR) marker	7,50,000 /=
12.	96	Prof. Dr. Alokesh Kumar Ghosh	FMRT	Exploring Spice-Based dietary supplementation for Enhancing Growth, Immune Response and Resistant Capacity of Shrimp (<i>Penaeus monodon</i>) Against AHPND-Causing <i>Vibrio parahaemolyticus</i> infection	5,00,000/=

13.	101	Abul Bashar Assistant Professor	History and Civilization	The Role of Missionaries in the Liberation War of Bangladesh: Advocacy, Relief, and Humanitarian Efforts	4,00,000 /=
14.	92	Tasnim Murad Mamun Assistant Professor	Economics	Is Cash Incentive Worthy for Remittance Inflow in Bangladesh? - A Synthetic Difference-in-Differences Approach	5,00,000 /=
15.	107	Prof. Dr. Lasker Ershad Ali	Mathematics	Emotion Recognition from Facial Images Using Combination of Deep and Shallow Features with Machine Learning Algorithms	9,50,000/=
16.	111	Prof. Farzana Nahid	Physics	(HAP/GO/NiFe ₂ O ₄) nanocomposite: Synthesis, Characterization, Cytotoxic and Antibacterial activity	4,50,000 /=
17.	72	Prof. Dr. Md. Sarwar jahan	AT	Screening of suitable wheat cultivar(s) against salt stress and its management strategies for fitting in the coastal saline soil of southwestern Bangladesh	6,00,000 /=
18.	81	Dr. Md. Ahsan Habib Assistant Professor	Chemistry	Development of Schiff Base Chemosensor for the Detection of Toxic Heavy Metal Ions	4,00,000 /=
19.	79	Dr. Md. Mahiuddin Associate Professor	Chemistry	Plant sources-based green synthesis of metal oxide nanoparticles (MONPs) as prominent antibacterial agents and photocatalysts for wastewater treatment	2,50,000 /=
20.	98	Prof. Dr. Md. Iftekhar Shams	FWT	Performance evaluation of chitin nanofibers (CNF) extracted from shrimp shells for capsicum production	5,50,000 /=
21.	109	Prof. Dr. Shaikh Jamal Uddin	Pharmacy	Ethnobotany of Sundarban Plants: A Pragmatic Randomized Ethnobotanical Survey on Sundarban of Khulna Range (PRESS-KR)	9,50,000 /=
22.	93	(a) Dr. A.B.M. Monirul Huq (b) Dr. Imran Kamal Associate Professor	English Bangla	Death of a River and the Decline of Imagination: A Bioregional Study of the Buriganga	9,00,000 /=
23.	82	Dr Md Khairul Amin Associate Professor	Chemistry	Polymers of Intrinsic Microporosity (PIMs) for Heavy Metal Capture	5,00,000 /=

Total

1,31,53,500 /=
